### **A message from Kiwanian Kristy White, Director of the Tourism Board:**

"Members of the Corinth Kiwanis Club made quite a showing at the Mississippi Governor's Conference on Tourism recently held in Tupelo. Of the seventeen awards given, Corinth garnered 4 of them including:

The Travel Media Award for Broadcast - Let's Talk Tourism on WXRZ 94.3: Steve Knight & Kristy White

The Tourism Volunteer of the Year - Zack Steen

Small Festival of the Year - The Green Market with Zack Steen on the Committee (&thanks to many Kiwanians who have supported the Market)

Convention & Visitors Bureau of the Year (250k-499k budget) - Corinth CVB: Kristy White, Director; Chris Porterfield, President of the Board; and Jason Grisham, Vice-President of the Board."

We could not have accomplished this without the support of the community including many great Kiwanis! -Kristy

**We are proud of all the Kiwanians listed above. Please give them a verbal pat on the back for their efforts.**

### **An email from Past President Delmon Ashcraft:**

Bill, I just now read your Kiwanian for this week. That was a very informative presentation about hat wearers, and what a group to be included in! You know, there's nothing more(well not exactly true maybe-----sorry drivers are right up there) that hacks me off more than men who don't remove their hats(caps) for the National Anthem, funeral processions, and passing of the flag. By the way, I've worn a hat and boots most every day of my life. I guess the main reason for the hat today is that in recent years I can get little skin cancers on my ears when out in the sun a lot, and as you know--I'm in the sun most every day if it is shining! The boots---different story, I've always been around a lot of bull---- in my daily activities, therefore; street slippers and tennis shoes just won't cut it!!!!

Great to see all the old "gang" yesterday and almost to the man(and women now) came by to shake my hand and offer their words of encouragement about the death of my Mother. You still control the best table in that place.....

We are at Del's (*That's Dr. Del Ashcraft, Jr, my personal Gynecologist, who lives and practices medicine in Chattanooga*) now. He had a kidney-stone zapped this morning. Resting fine at the moment. Thanks for everything.

Delmon

*Editor's note: I'm glad to know why Del wears a hat. I'd always thought it was to hide his elfin (pointed) ears.*
