Much has happened since our last meeting. We have had a flood, not quite as bad as the Biblical 40 days and nights, but the closest thing in my lifetime. (Since I'm almost as old as Taft and he is pushing Methuselah's record, we both ain't sping chickens.) Please help the Salvation Army with anything, clothes (all ages), furniture, or any kind of supplies that you can take to them for use for our own Corinth and Alcorn County folks in need.

Email from Past President Joe Franks

BILL, I can get polo good grade golf shirts for 11.00 and the embrod. Cost 4.00 so a total of 15.00 for a golf shirt. I can order one or two to see if we like the feel of them . (This is the answer from Joe Franks to my request to him to provide us with golf shirts for those who do not have the colors to wear at our functions. We'll bring this up at the election.) I am also working on a deal for us to furnish the shirt of our choice to have the logo screened on, but I will have to admit that the embroidery looks a lot better.

Email from Immediate Past President Chip Wood (To President Dujuana and CC'd to me)

Madame President, Just wanted to pass on a quick story. Yesterday, I received a call from my mother who's gas tank door on her car wouldn't open. Like everyone else this week, I've been pulled several directions and was unable to leave to assist her. Her gas tank was on "E" and she was in a panic.

Remembering fellow Kiwanian Zack Steen works at Blackmon of Corinth, I made a call to Zack. Zack said "send her down and we'll take care of her".

Less than 30 minutes later, my mother called me and all was AOK!

It's great to be part of an organization, that you can have some many people to count on in difficult times.

Thanks, Chip

There are many pix of the flood damage. Unfortunately, I can't pull them up due to a mechanical problem with my computer. If someone would send me a facebook web page. I'll try to get it in the next issue.
