I just want to thank all of you for your educational e-mails over the past year. I am totally messed up now and have little chance of recovery.

I no longer open a public bathroom door without using a paper towel or have them put lemon slices in my ice water without worrying about the bacteria on the lemon peel.

Eating a little snack sends me on a guilt trip because I can only imagine how many gallons of trans fats I have consumed over the years.

I can't touch any woman's purse for fear she has placed it on the floor of a public bathroom.

I MUST SEND MY SPECIAL THANKS to whoever sent me the one about the stuff in the glue on envelopes because I now have to use a wet sponge with every envelope that needs sealing.

ALSO, now I have to scrub the top of every can I open for the same reason.

I no longer have any savings because I gave it to a sick girl (Penny Brown) who is about to die in the hospital for the 1,387,258th time.

I no longer have any money at all, but that will change once I receive the \$15,000 that Bill Gates/Microsoft and AOL are sending me for participating in their special e-mail program.

I no longer worry about my soul because I have 363,214 angels looking out for me, and St. Theresa's Novena has granted my every wish.

I no longer eat KFC because their chickens are actually horrible mutant freaks with no eyes or feathers.

I no longer use cancer-causing deodorants even though I smell like a water buffalo on a hot day.

THANKS TO YOU I have learned that my prayers only get answered if I forward an e-mail to seven of my friends and make a wish within five minutes.

BECAUSE OF YOUR CONCERN, I no longer drink Coca Cola because it can remove toilet stains.

I no longer can buy gasoline without taking someone along to watch the car so a serial killer won't crawl in my back seat when I'm pumping gas. I no longer check the coin return on pay phones because I could be pricked with a needle infected with AIDS.

I no longer go to shopping malls because someone will drug me with a perfume sample and rob me.

I no longer receive packages from UPS or Fed Ex since they are actually Al Qaeda in disguise.

I no longer shop at Target since they are French and don't support our American troops or the Salvation Army.

I no longer answer the phone because someone will ask me to dial a number for which I will get a phone bill with calls to Jamaica , Uganda , Singapore , and Uzbekistan .< /SPAN

I no longer buy expensive cookies from Neiman Marcus since I now have their recipe.

THANKS TO YOU I can't use anyone's toilet but mine because a big Brown African spider is lurking under the seat to cause me instant death when it bites me.

AND THANKS TO YOUR GREAT ADVICE I can no longer drive my car because I can't buy gas from certain gas companies!
